Frequently Asked Questions

Who is eligible?

Artists currently enrolled in grades 6-12 at an Illinois charter school are encouraged to submit an original artwork.

Is there a size limit?

There isn't a size limit, but the artwork should easily be transportable by car

How to best document work?

Use natural light and have a neutral background (black, white, grey) to photograph your work. Make sure the complete work is visible and there are no shadows.

Does the artwork need to be "gallery ready" ?

Your work does not need to be matted or framed to be shown in the exhibition.

What type of art are you accepting?

We are accepting a wide variety of creative expression including but not limited to painting, drawing, photography, collage, fiber, video, comics, sculpture, ceramics etc.

Will INCS be collecting the art work?

Yes, INCS will be coordinating with your school's art contact to schedule a pickup.

You can also drop off artworks at our office at 150 N Michigan Ave, St 430. But please email Khechevarria@incschools.org to schedule a drop off.

Who is the art contact?

This will be the person at the school that INCS will be coordinating with to collect the artwork. Please advise students who the art contact from your school will be.

How do I submit my work?

Visit the website www.incschools.org/art/ and find the submission link at the bottom of the page. Each student will need to submit a form which includes student name, school, grade, title of work, a brief answer to the prompt, an image of the work and the name and email address of your school's art contact.
